MR. J. W. TIDD,
Principal
Kent State B.S.
Ohio State, M.A.

During these four years of high school, we have traveled with you as our guide. We have seen many problems arise, which, by your counsel and cooperation have been solved. That touch of humor, which is added to your conversation, has given us much pleasure while conversing with you; and your sympathetic supervision of our class, along with your ever-ready services, will always be sincerely appreciated.

MR. A. L. HENDERSON
Superintendent
Wooster, B.A.

We are gratified to have had the privilege of having you as our superintendent during our sojourn here at Boardman. Not only do you symbolize this institution, but you have made yourself an outstanding personage by your warm chuckle, your meditating moods, and your alacrity to help. We shall always remember your words; they are to be heeded, for there is so much sagacity expressed in them.

FACULTY....Those who profess

As we have worked and studied through high school, we have gained an abundance of wealth. The wealth we find is priceless when we enter business or part of its great realm. It also proves its value when we further our education at college, for a good education is required as a foundation for future building. But we have not been able to acquire this education without the assistance and encouragement of those known to us as the faculty.

Through our faculty our school has been built up to the status which we have today. It has been the stepping stone to the accomplishments which have been achieved. So to you, the faculty, we write the following:—

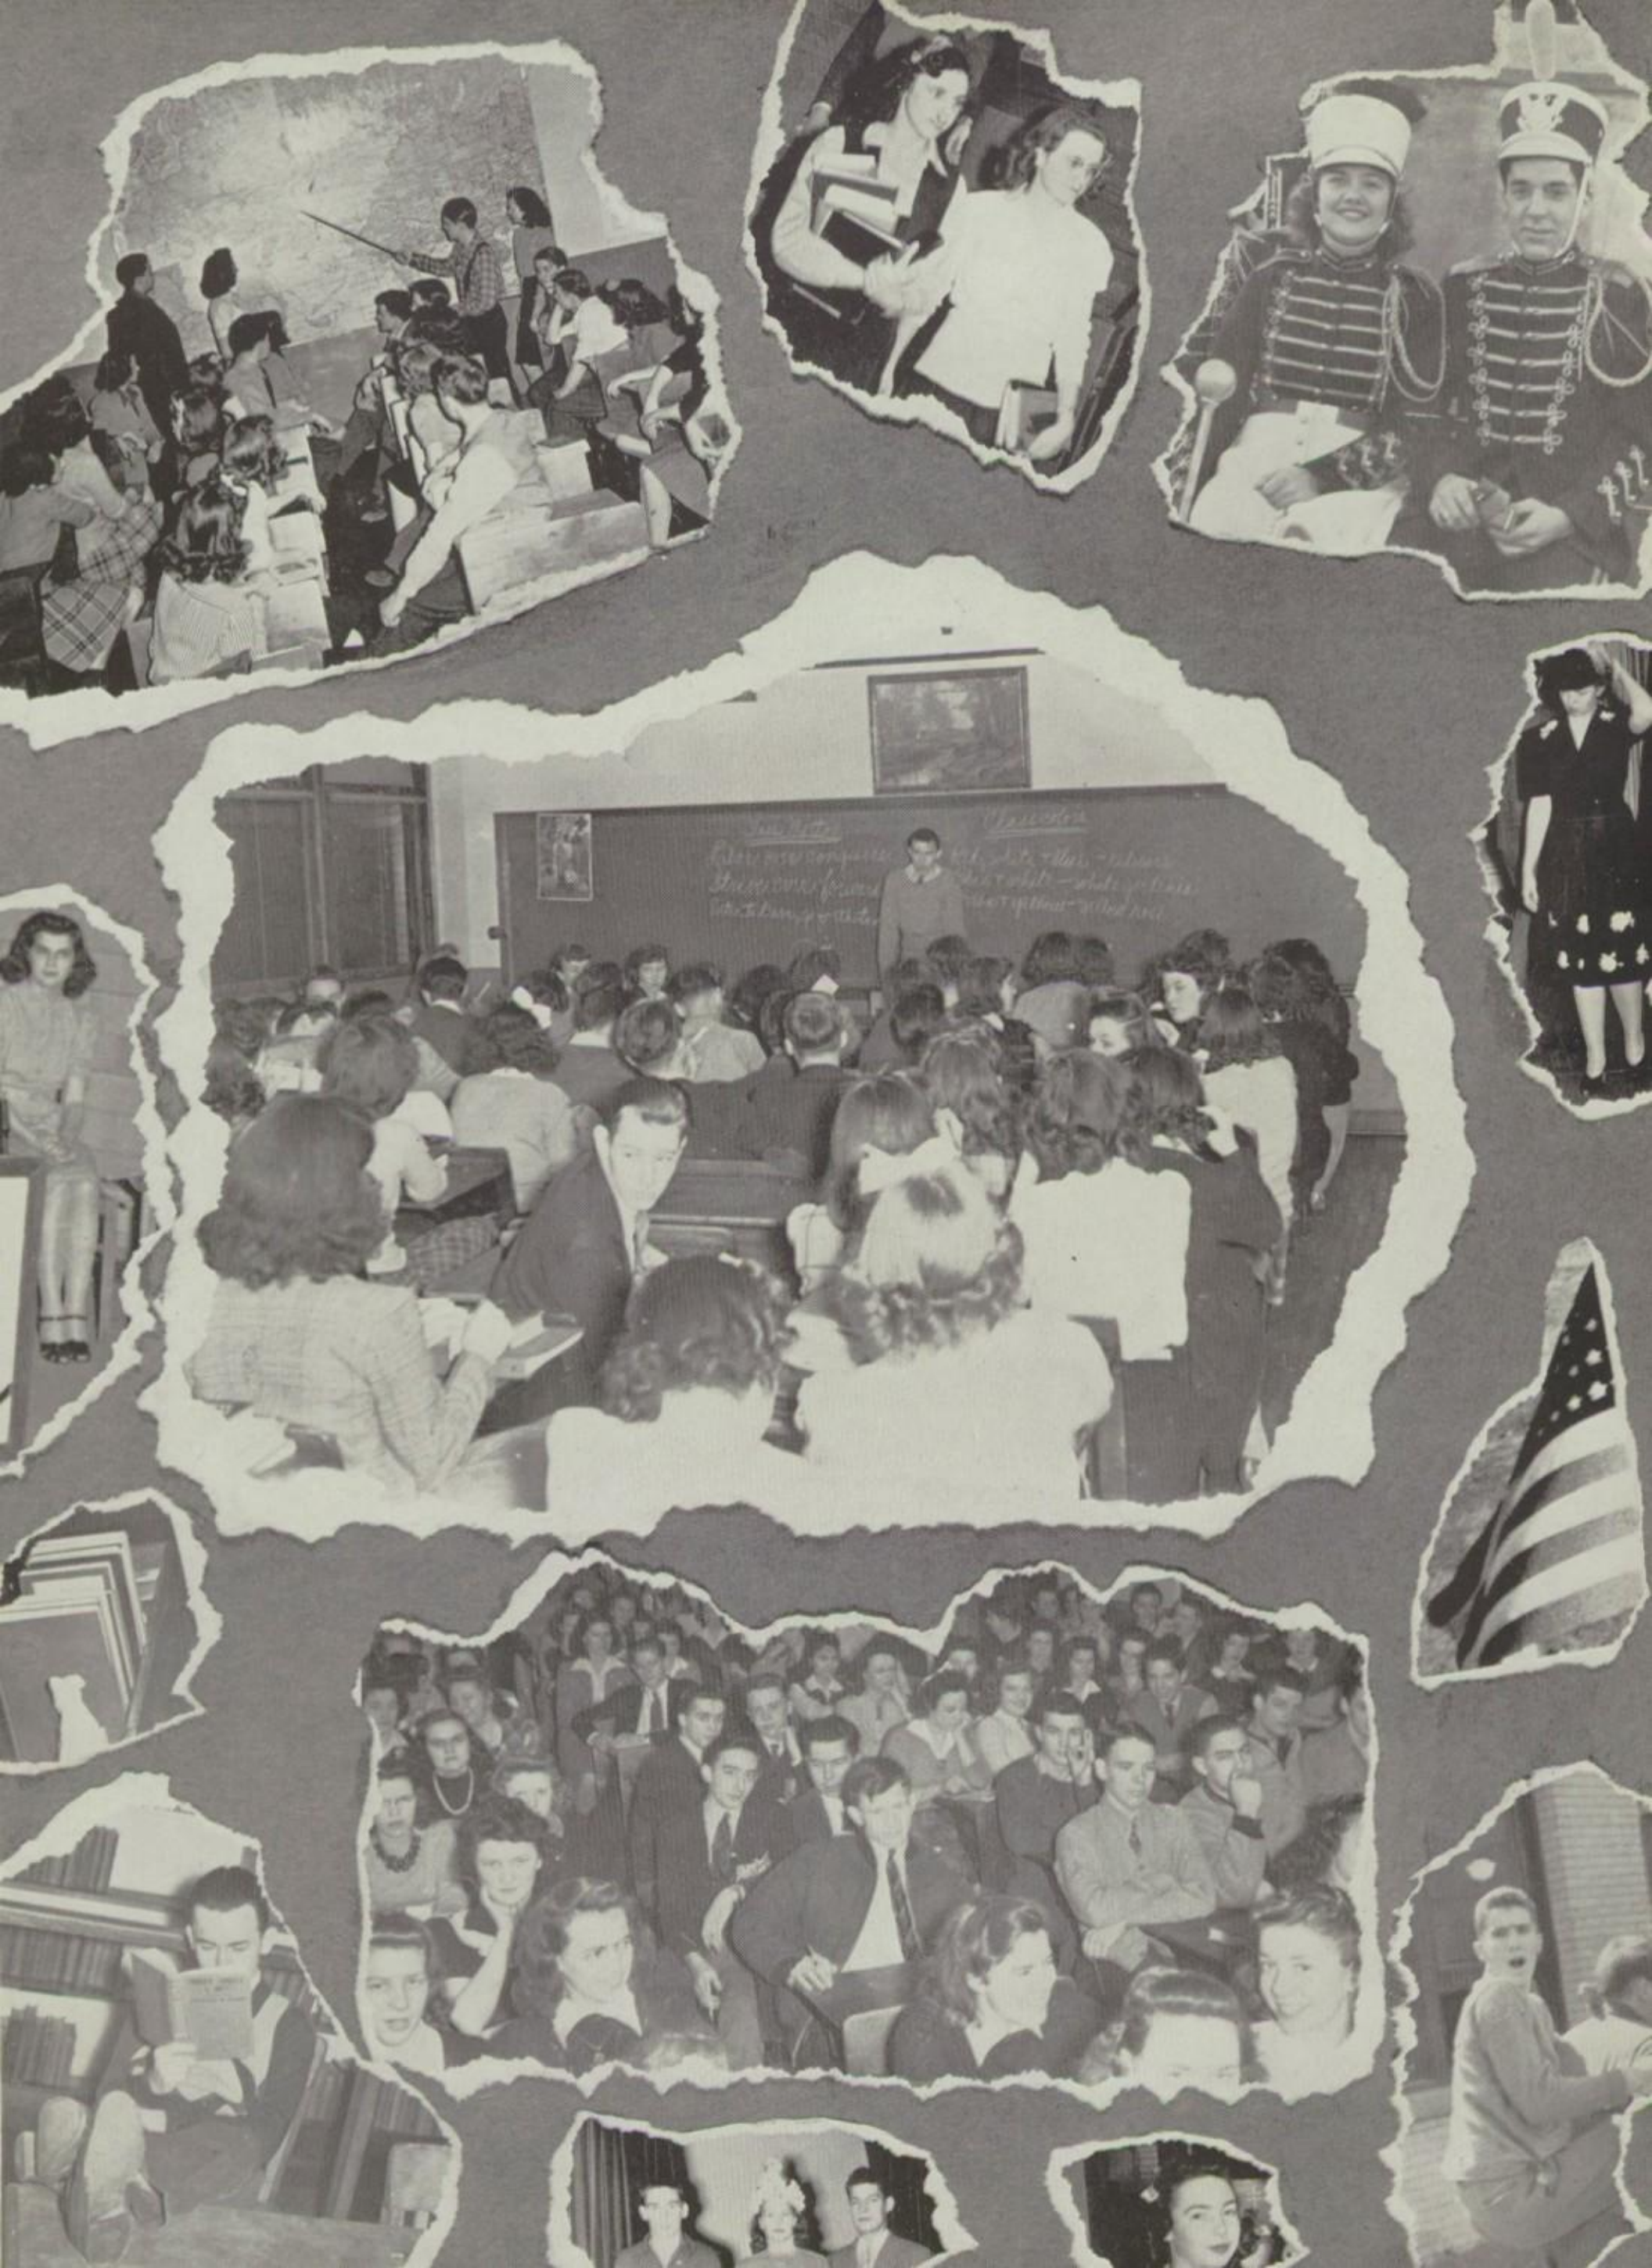

During these four years in which we have known you, you have given us a well-rounded education, an education which stands high in its rating — an education which not only consists of learning and studies, but of tolerance, good fellowship, and thoroughness. For this we wish to extend our gratitude.

Patiently, you instilled in us knowledge — facts, figures, and fundamentals — but more than that, the intangible something that can't be classed as "book learning". You see, your willingness to place in everyone the desire to have a well-trained, disciplined, quick-thinking mind will contribute more to making fine Americans than anything else. You accomplished all in such an unpretentious manner, yet, your classrooms were spiced each with a typical personality all your own. Such tends to make Boardman, not just any old school, but a place filled with happy memories.

We also want to express our appreciation for your cooperation in our activities, your assistance at our social affairs and your encouragement given during the course of the day. For without your inexhaustible efforts our activities and social functions would have lacked their fun and interest.

We realize now and we always will remember that, through you and your combined efforts, we have a foundation on which our futures will be built.

SENIORS

CHRONOLOGICAL TABULATIONS OF '42

It was in the fall of 1930 that 49 youngsters toddled into the first grade and answered "present"; those 49 were the nucleus of the class of '42. It was on that same fall day that David Skeggs and Warren Luce stood in front of the class and cried 'cause their big "brudders" weren't there to take them home.

From room to room, higher and higher, our little band progressed. Time passed so swiftly. Our numbers had grown; our knowledge had increased. (We no longer counted on our fingers!)

It was in the fourth grade that Bob Fisher made a banging entrance by falling down a flight of stairs right off the bat. By sixth grade, eraser throwing, with Betty Findlay as leader, became prevalent; and, by eighth grade, along with all those basketball games, Mr. Smith was at wit's end.

Then; behind was a trail of memories:

The times we sneaked out of class to play marbles in the cloak room;

Those water fountain battles;

The time the fourth grade was moved to the old building; the fun we had then;

All those pranks we directed against the teachers;

Those games we played on the playground;

Remember??

Ahead, a long hard road:—

For it was the Freshman year! One with all frivolity cast aside (for the first day); a new-found freedom; an officiate by the name of "Abie" who sent all scurrying for cover when he advanced; and, the taste of "study-hall".

It was the Sophomore year of "GONE WITH THE WIND", two World's Fairs, skating parties, and "SOUTH OF THE BORDER", that young men's (Sophs) fancies first began turning with the coming of spring, and Miss Farrell was kept busy preventing students from passing notes during eighth period study-hall.

All claimed they had had their best time yet until the Junior year rolled around. Social life climbed to its peak (as did the studies). We learned that the best way to forestall a "quiz" was to get Mr. Bohn discussing foreign affairs. On May 17th, the Junior class presented the Junior-Senior Prom, a giant extravaganza that flashed upon the horizon like a flaming meteorite to put a fittin' climax to a happy existence as Juniors.

Nineteen Forty-two and we were Seniors! A year full of intelligence tests, posing for annual pictures, "senior" matters, the Junior-Senior Prom, and, it was over! After twelve years of working, we were sorry — a lump filled our throats; we gulped, and walked sedately down the auditorium to Baccalaureate services.

GRADUATION:—Parting is such sweet sorrow; and not one of us could say that he was not just a little sorry to be going.

To what heights, to what aims, time will tell that! But, as a first message of encouragement:—Good Luck, Seniors of '42!

ENTER TO LEARN, GO FORTH TO SERVE

The senior year, the climax of the long road upward, found Bob Wiltsie leading the class, with Lewis Anderson, vice-president; Ruth Mohler, treasurer; and Mary Alice Beeghly as secretary.

At the beginning of the second semester, the class congregated to choose their class colors and the motto: "Enter to learn, Go forth to serve."

The colors chosen were blue and white, with the gardenia as the flower. The Junior class used these in the decorating scheme at the Junior-Senior Prom.

Early in May, came the Senior Play, followed shortly by Senior chapel, during which the class will and history were read.

At graduation, the seniors wore the traditional maroon and white cap and gown as they took final leave of Boardman.

SENIOR PLAY....What a life this is

FIRST ROW:—L. Strom, S. Cramer, J. Wasilk, H. McCready.

SECOND ROW:—M. Newton, W. Jacobs, I. Beatty, H. J. Ford, B. J. Oestmann, M. Bucheit.

THIRD ROW:—R. Mohler, M. A. Beeghly, M. Williams, D. Skeggs, R. Baer, P. Bennett, L. Eckman, J. Morris.

FOURTH ROW:—Mr. Bohn, Director; R. Jones, G. Wright, J. Kleyn, C. Hummer, R. Latta, R. Wiltsie.

“WHAT A LIFE”—’Tis not an expression of discontent—but better, the Broadway hit presented by the Senior Class.

The scene is laid in the office of the Principal (D. Skeggs) and his assistant (J. Kleyn), who is continually trying to make a date with the school secretary (B. J. Oestmann). The play centers around Henry Aldrich (L. Eckman) in his struggle to retain his good name, escape a theft, and win highest honors in a history test, that he might take Barbara Pearson (P. Bennett) to a dance. This is a rule set down by his mother (H. McCready), and it will keep George Bigelow (R. Latta) from Barbara.

When Henry is suspected of the theft, Ferguson (R. Wiltsie) and Miss Wheeler (L. Strom), come to the rescue in an amazing way. While Mr. Nelson proves the hero in saving Henry from Mr. Patterson’s wrath when he is caught “cribbing.”

Bill (R. Baer) who insists he can save the school honor, and Mr. Vechetto (J. Morris) an Italian looking for his daughter, add many funny spots. Several of the teachers were portrayed by S. Cramer, M. Bucheit and M. Williams.

Several students’ roles were taken by J. Wasilk, M. Beeghly, I. Beatty, H. J. Ford, R. Mohler, and R. Jones.

The cast, that worked so hard for our enjoyment deserves a hand of well-earned praise, as does Mr. Bohn for his splendid direction.

BOARDMAN'S ROSE BOWL

Probably the biggest event in '42 for Seniors was "Dedication Day", but, unknown to many are the facts behind the stadium.

The Boardman High School Stadium was erected during the summer of 1941. It was fully completed and ready for dedication, November 19th, the Saturday after Armistice Day.

The Stadium is of concrete construction re-enforced with steel. Its seating capacity is 2,000 people, and at the front is a large space especially arranged to facilitate both the home and visitors' bands.

Any seat in the grandstand will afford a clear view of any part of the athletic field. Beneath the Stadium are accommodations for the storage of athletic equipment and concessions.

The Stadium was financed by a special issue, submitted to and approved by the people to the extent of a one mill tax. The total cost of the Stadium was approximately \$16,000. It is the plan of the Board of Education to complete the construction of the track, and also to seed the grass and shubbery on the hill below the fence.

There has been also a purchase of 6½ acres immediately west of the Stadium for future baseball diamonds, tennis courts, and playground facilities.

When all the additions to the school are fully completed, Boardman High will have one of the most beautiful and well-equipped schools in Northeastern Ohio.

—“Pass me another sheet of paper, will you?”—“Oh, wait till I sharpen my pencil again,”—Yes, many pencils were resharpened and much paper was used, when the Senior Scholarship Team held their meetings.

When March 28 finally came along, the Boardman Seniors (crammed with four years of knowledge???) met with the Seniors of Mahoning County at South High School. At 9:00, the race was on. Plowing through each division, the Team strode on. The five divisions covered thoroughly the courses of English, history, mathematics, science, and reading. When 12:00 rolled around, all the seniors managed to stagger out. What a test!!!

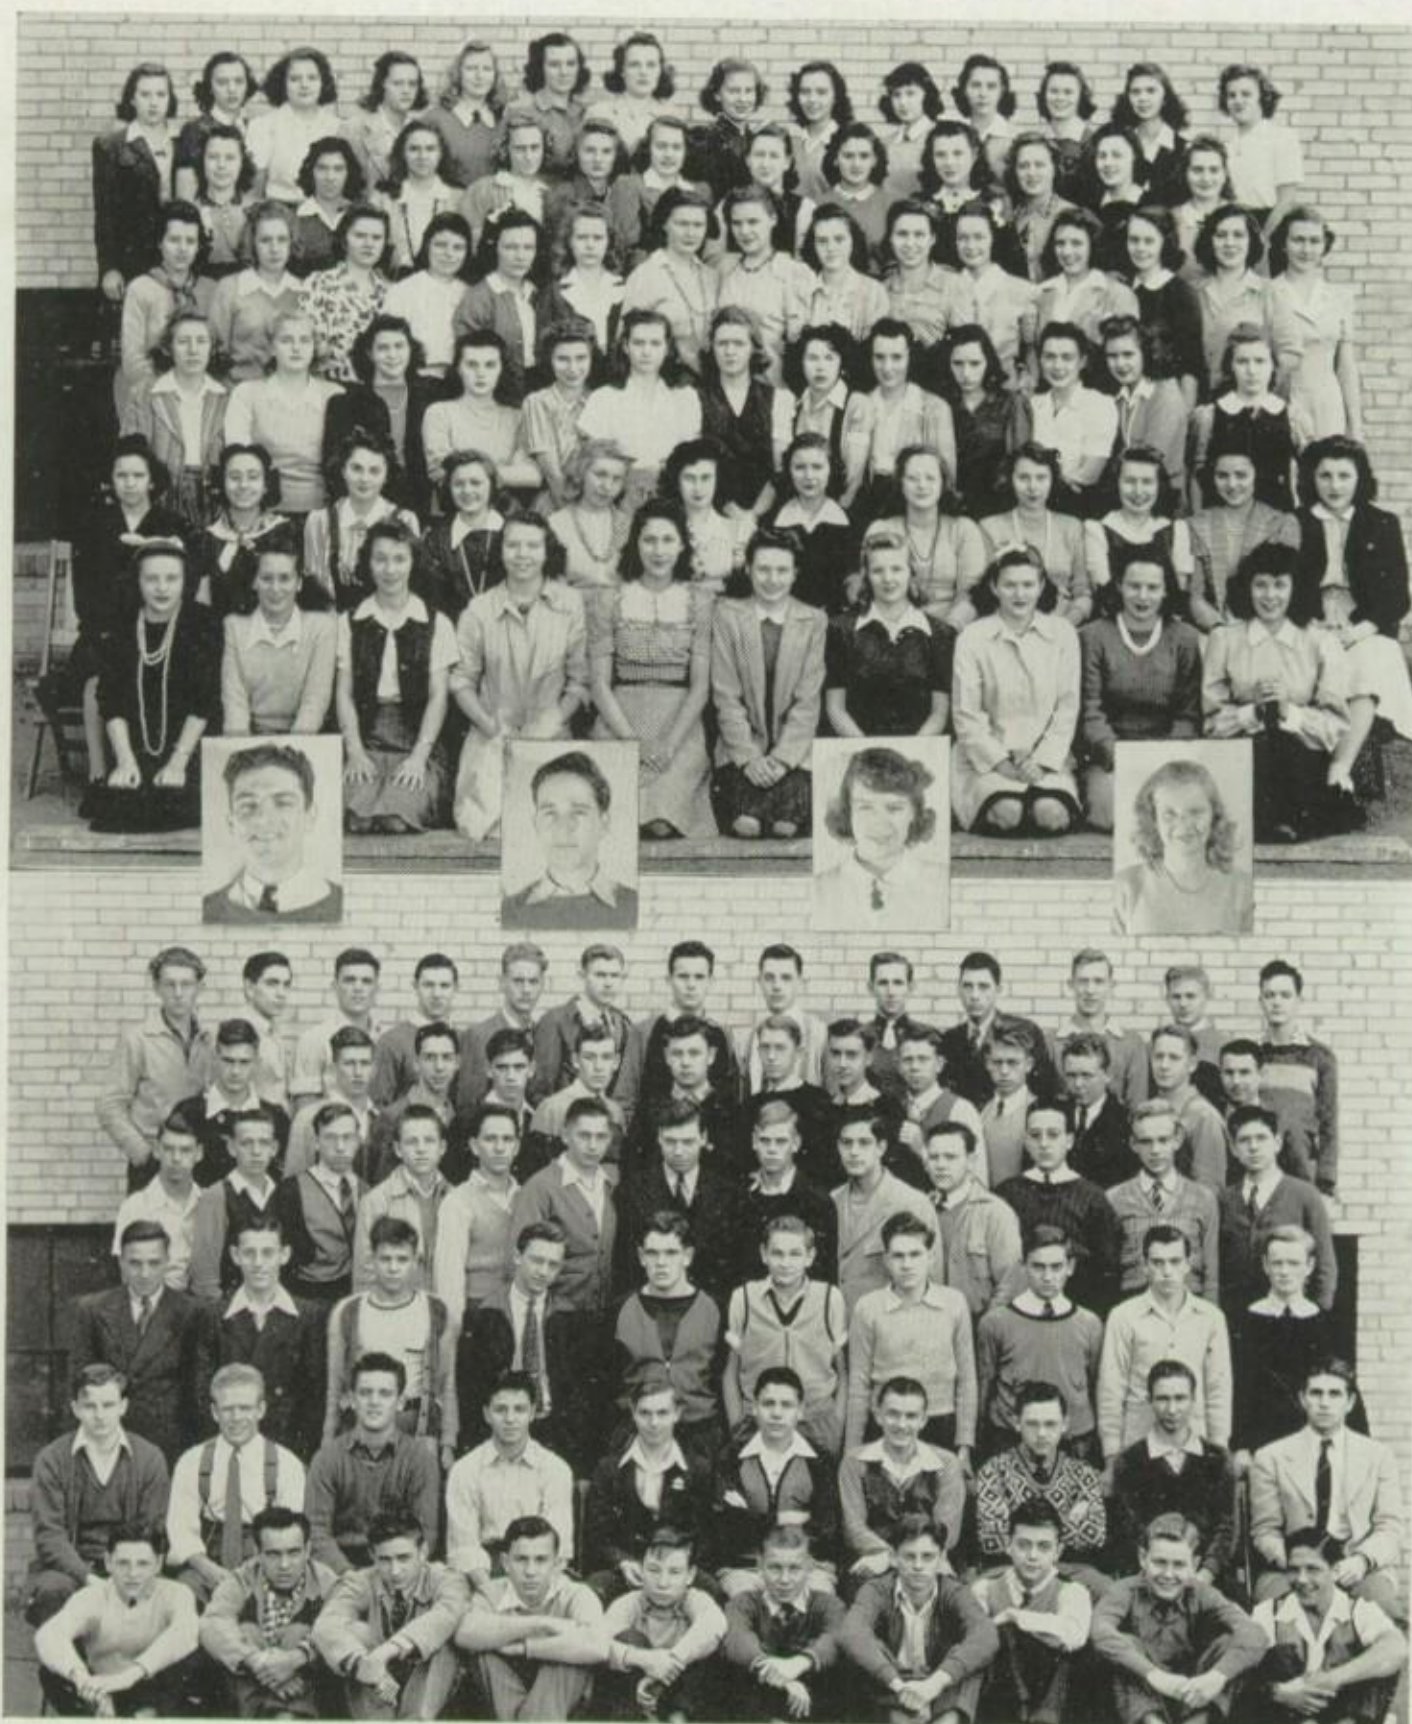

Though they had many misgivings, each secretly wished his name to be on the list of winners. Finally—the results were in. Boardman has won laurels again, by capturing 11 out of 21 in the top twenty-five per cent. of contestants. Out of the first 6 places, Boardman took 5. Betty Jane Oestmann, placing 2nd in the county, won for Boardman. Joe Aubrey was 3rd, Mary Jane Oestmann and James Leiss tied for 4th, with Warren Luce placing 6th. The following students placed respectively for Boardman: Bill Cusick, Arthur Campbell, Robert Sinkle, Ray Bachtel, Laird Eckman, and Jack Morris.

Many thanks go to the teachers who helped make this team successful. Congratulations, Seniors of '42, for upholding Boardman's high records!

The classes of '43, '44 and '45 had a highly successful year punctuated by stadium dedication, bi-weekly dances, new band uniforms, Junior-Senior prom, and — Elmer!!!

The Freshmen trooped into the high school full of zest and confidence, co-operating 100% with the upper classmen. They put forth their best in pep and energy in two new cheer leaders, Charlotte Chuck and Mary Lou Joshua. The Sophomores lost that green look and actively supported all the school functions. Didn't more of them turn out for the bi-weekly dances than any other classes? And, ah, yes, the Juniors — now upperclassmen! They chose their rings, came forth with an excellent "prom" and graciously put on their chapel programs.

In the line up — Freshmen, Sophomores and Juniors — all came forth with touch downs and high scores. They were more active, received better grades, and indicate a bright future as Senior Classes.

ACTIVITIES

ANNUAL STAFF....We hope you like the Crier

FIRST ROW:—M. Stewart, M. Chuck, C. Zeigler, B. Findlay, M. Peoples, J. Wasilk, M. Beeghly.
SECOND ROW:—M. Liechty, G. Phillips, B. Oestmann, H. McCready, B. Skeggs, D. Skeggs, T. Rankine, R. Wiltsie.
THIRD ROW:—Miss Green (adviser), G. Wright, R. Bachtel, E. Foley, H. Grant, R. Fisher, L. Eckman, R. Spalding, C. Baker.
MISSING:—W. Cusick, L. Steinbaugh, M. Parks, P. Billett.

The Crier bursts forth in spite of the disaster of Pearl Harbor. It traveled through thick and thin, mostly priorities involving either the shortage of copper, leather, and paper, or the induction of a prize engraver into the army. Largely through the foresight of Mr. Street, a very loyal printer, Boardman did not succumb to the fate destined for so many annuals of '42.

Good photographers are rare; but rarity abounded in Dick Spalding and Ed Foley, who produced such clear-cut candid shots. Activities were covered by Betty Findlay, Betty Jane Oestmann, Laird Eckman, Margaret Chuck, Charlotte Baker, and Margaret Liechty. Recounting the life and history of the Senior Class was Peg Peoples' task, while Bob Wiltsie and Wilbur Wright tabulated the Sports Parade. The unofficial calendar and feature articles were the elements collected by Claire Zeigler, Thelma Rankine, and Betty Skeggs. The inevitable task of characterizing Seniors was ably accomplished by Helen McCready, Jeanne Wasilk, and Bob Fisher. This annual appears in book form largely through the salesmanship of Dave Skeggs and his staff. Dave's art work appears in the sketches too. Now hats off to Miss Green and Mr. Tidd, our commanders-in-chief! Enthusiastic, happy advisorship adds a spice of flavor to any work, and their aid was unlimited.

Now the book is finished, and the staff of '42 wishes all future Seniors good luck on their Crier.

BUGLE STAFF....Thriving on Deadlines

FIRST ROW:—M. L. Stewart, M. Williams, J. Wasilk, H. Schmutz.

FIFTH ROW:—W. Luce, G. Wright, J. Morris, D. Skeggs, R. Fisher, J. Aubrey, M. Newton, R. Bachtel, Mr. Bohn (adviser), M. J. Oestmann.

“Don’t push!” . . . “Go to the end of the line.” . . . “Wait for your turn.” So another Friday on which the BUGLE comes out is here again. Every other Friday, the lobby is lined with students waiting to receive their BUGLES.

At the head of the capable staff for this year was Betty Jane Oestmann, editor-in-chief; Mary Jane Oestmann and Bob Fisher were her able assistants. Covering the news was Phyllis Yoder, while Joe Aubrey reviewed the Spartan athletics. All parties, club meetings, and social get-togethers were written up by Helen McCready, society editor, and those two who filled the paper with gab and fun were Arlene Smith and Warren Luce. Exchanging papers with other schools was the duty of Charlotte Baker. Mary Alice Beeghly and David Skeggs headlined the pages and filled in cartoons.

Jack Morris, business manager, kept the finance balanced (?), and was a constant reminder of “less spending, more economy.” Turning out pages kept Jim Leiss busy, while George Wright was searching for prospective advertisers. Shirley Cramer managed the circulation department.

Much of the praise and credit go to the advisers, Mr. Ballinger and Mr. Bohn, who kept the BUGLE above par with their encouragement and help.

“Extra! — Extra! — Read all about it! Boardman again comes off with top honors.” “Yes, Yes, folks — our Academic Team once more is wearing blue ribbons.”

The usual cramming during April was accompanied by heavy, extra work in the respective subjects. When that fateful day, May 2, finally came, everyone's brain was supposedly overflowing with knowledge. So with pencils sharpened, determined Boardmanites marched into their classrooms (their hearts were palpitating), and waded through those tests. The chosen few were: ENGLISH IV — Mary Jane Oestmann, Pauline Kemper; AMERICAN HISTORY—Mary Lou Stewart, Joseph Aubrey; PHYSICS—James Leiss, William Cusick; FRENCH II—Elaine Van Horn, Betty Findlay; ENGLISH III—Thelma Rankine, Marilyn Hossel; MODERN HISTORY—Roy Kemper, William Strang; CHEMISTRY—Lee Leppo, Dale Pilz; FRENCH I—Margaret

- 8:30—"Click" goes the lock on the library door to admit a mad rush of students in search of one of the new books. That boy is taking out the 172nd new book.
- 9:00—An apprehensive sophomore, "Could you please tell me where to find some debating material? I have to give my argument the 8th period." (Sounds natural, doesn't it?) In answer, the librarian brings out all the debating manuals and newspapers and leaves our worried student deep in thought.
- 9:45—"I'm sorry, but you must pay 4c instead of 2c a day for that book." The financially embarrassed senior replies, "I practically finance this library with my overdue fines for seven day books."
- 12:00—Gulp! That was the librarian's lunch.
- 12:30—The library is filled with Juniors industriously trying to find articles about modern authors. Just look at the sources of material. "Everyday Reading pamphlets", "Living Writers", and "Who's Who". With so much equipment it's a wonder they don't do their homework more often.
- 1:15—Freshman:—"I want to take this book on athletics out, but I have one book already." "It's a new rule that you can take one call number book out and also one book from the reading shelves."
- 3:30—"Babs, isn't that bulletin board attractive? I didn't know that book jackets could have such brilliant colors. Miss Green certainly makes the library inviting. I think she deserves three hearty cheers for her efforts."

With the rise of Boardman's colossal new stadium, our B. H. S. military band felt that it was its duty to keep in pace. Result? The purchase of sixty new maroon and white uniforms trimmed in gold. Thus, emerging from tatters and rags, the band resplendent in their new uniforms, blazed forth in this gala array at the dedication of the stadium. As the crowd of two thousand spectators proudly rose to honor them, marching down the field, there was a lump in every throat and a chill up every spine. Long it will be before this great day will be forgotten.

Another innovation this year was the new color guard ceremony with two color bearers and two color guards. The new "Victory Chant", introduced by the Band was instantly popular. Our group played at every home football and basketball game, except the Louisville football game (pitter patter!!). This spring the group took an active part in our music festival and the county festival at Fitch.

Mr. William Texter, of the community Boosters' Club, deserves a trumpet salute. Credit for raising the money for the band uniforms is due him. Many were the hours spent by the Boosters' Club in canvassing Boardman, raising money for our "gang." Our sincere thanks to you, "Bill"!

Mr. Minter, Band leader, deserves hearty praise. He is the "boosting force" behind the band and he is the real reason the B. H. S. Band has had a very successful year.

Dear Diary,

Well, another year of school is almost over. It hardly seems possible, does it. This year has been different from others for me because it was my first year in high school. Of course the very mention of high school brings up orchestra. This was my first year in the orchestra but do you know that this is the eleventh consecutive year since it was formed. Those first few days all the experienced upperclassmen made me feel so "green" but we freshmen soon got over that feeling and carved our little niche in the orchestra. Incidentally there are twenty-three signed up this year, but (I don't know whether I should tell this or not, I'm almost ashamed to) there are only three freshmen.

Mr. Minter, our director, made us work very hard, and I certainly did get disgusted sometimes, but I wouldn't have given it up for anything — even if I never play so well as Bob Jones or Lewis Anderson. They both play in our swing band too, so that proves that they really are good.

Now to get back to the orchestra. Some of the songs we played this year are "God Bless America," "Gypsy Overture," and "The Blue Danube Waltz." Then, of course, we play when the students go to chapel and several times we played on the program. On April 25, there was a Spring Festival at school. The year reached its climax for the orchestra when we played for commencement this year. Again another successful year for the orchestra is passed, and I know I, for one, will be back again next year.

Signed—Freshman Jive Boy.

CHORUS...With a song in their hearts

Another year of harmony and melody, capably directed by Mr. J. M. Minter, has drawn to a close. During this year one hundred and fifteen voices blended into songs which reflected thorough work of the pupils and the skillful leadership of Mr. Minter.

Music Appreciation was the foundation on which this year of chorus was built. This study was based on recordings of symphonies and suites which were played during the class period. Also included was a study of theory. The members of the classes turned in outlined notebooks of this work after the completion of the study.

The second semester was devoted to the preparation of songs for public performance. The main appearance in which the chorus participated was the Boardman Spring Festival, April 25th. This was a gala affair with the girls appearing in formals. The numbers which the chorus sang were: "The Winter Song," "The Holy City," "Old King Cole" and "Angels of Mercy." There were also special vocal numbers which were rendered by David Skeggs, Betty Findlay, and a male quartet comprised of Raymond Courtney, Arthur Campbell, Louis Cosentino, and Robert Garver. This performance having been given, the chorus then worked for the participation in Baccalaureate services, May 24th.

This year has certainly been a full and successful year. We'll always remember how our day was brightened by having a period of music in which to express ourselves in song. We also recall the fun we had as different pupils, appointed by Mr. Minter, would direct the chorus.

There are five persons who deserve special credit for contributing their talent of accompanying to the chorus. They are Patricia MacDonald, Claire Zeigler, Mary Lou Joshua, Mary Ann Maloney, and Yvonne Brenneman.

We regret that this year must close, but we'll always have in our thoughts the memories of those days which we spent in chorus together—everyone working toward the same goal and performing in unison.

I, as the Bulletin Board in Boardman Hi, would like to tell a bit about some organizations that use me considerably. Now let's take the Avida G.R., headed by Alys Mesch.

Here comes Donna Sauer with another poster. Those Girl Reserves must be busy. Sure enough—a "Get-acquainted party," with Helen Jean Ford as the chief fun-maker, for the new girls in the school. Well—fair enough!

Bet those boys and girls had a good time at the joint Hi-Y Girl Reserve meeting. I heard that the girls wanted to hold the lizards and deep sea animals that Mr. Crawford displayed. He must have been interesting.

They seem to be busy outside their regular meetings.—Join the group that is exploring the Boardman Fire Station, the Art Gallery, the radio station, and the jail. Keep up the morale with music. The choir needs you.—Do you like to take part in the dramatics group, be in the play, attend Youngstown Playhouse rehearsals. Save your money and make little pins and ornaments with the Handcraft Group. Help your country! Come and roll bandages with the First Aid Group.

H-mm! A candlelight Recognition service led by Alys Mesch, Dorothy Schmutz, and Mary Jane Oestmann. Parents are invited. The Girl Reserves do such nice things. There's going to be a Christmas program afterwards with Christmas carols under the direction of Betty Findlay and a story by Shirley Cramer.

What are these high-school girls coming to these days? Playing with dolls. Oh, I know! The dolls are for the poor youngsters of the city. The proud seamstresses have their dolls on display at the annual Dolls' Tea at the Y. W. C. A. Helen McCready keeps them well informed about the Y. W.'s part of Girl Reserves.

Well! There goes Phyllis Yoder deep in thought of oncoming programs for the year.

What do you know? They're having a theater party. Going to the Warner, I guess. More fun!

I hear P.-T. A. Meetings are certainly quiet since the Girl Reserves took over the children. But then who wouldn't rather play nursemaid to full-of-fun youngsters than to full-of knowledge books.

Big business afoot! "The Sweetheart Swing" is coming up in March. All the swingsters will be there "getting in the mood." (Better tell me what that means. Sound like pig-Latin, doesn't it?)

There's quite a system between Charlotte Baker and Elizabeth Thomas. Charlotte hoards the money and Elizabeth writes the minutes. What a team! Together they could go far.

Springs' here! If you couldn't tell that by the signs of nature, you could by the talk of formals and the posters of the April Prom. It's going to be held at the annual place, Idora Park. One of the biggest events of the year!

Yours truly, the bulletin board, not only hears comments of the social life, but also comments of thanks. Thanks which are given to Miss Smith and Miss Jones for their splendid cooperation and suggestions.

COLLEGA G.RFrom primer to G.R.

Flash!!! All students of Boardman, let's gather 'round! 1941-'42 was a history-making year for the Collega Girl Reserves. Under the fine leadership of Harriet Oestmann they have developed excellently the three sides of the symbolic triangle: body, mind and spirit.

The first meeting under the direction of Jane Milsop, social chairman; was a "get acquainted" party. Games and dancing "broke the ice" between the "Freshies" and Sophomores. The friendly attitude of the girls made an impression on the newcomers.

Flash!! Girl Reserves develop their spirit. On December 16th, the annual Recognition Service gave a solemnity to the year. With parents and friends looking on, the new members lighted their candles from those of the officers: Marilyn Leichty, Eleanor Fell and Dorothy Hoover. The program was concluded with Christmas Carols, ably led by Patty MacDonald. Finally came the refreshments. Need we say more?

Mrs. Montgomery returned by popular request to discuss the essentials of molding fine character and acquiring admirable qualities.

Flash!! Girl Reserves keep up appearances. Miss Bentmann brought them up to date concerning what the well-dressed young lady is wearing this year. Two girls, also from Strouss-Hirshberg's, modeled the clothes. If you've seen some of the girls looking rather green, you know that it's simply with envy. Demonstrations in hairdressing have made them professionals on the subject. (Result? Bangs.)

Flash!! Girl Reserves improve their minds. Mrs. Ovesen, from England, gave her conception of the situation in England and Denmark. In this inspiring message she revealed how the Girl Reserves would have their part in this crisis.

With Dolores Zeisler as program chairman the meetings have rolled smoothly along. Sound interesting, don't they?

At Halloween, a big party, filled with fun and food, took its place among important social events of the year. I heard that one freshman asked why the girls wore such funny masks to the party. They were just their own faces. Sorry, she was only teasing. How the doughnuts and cider disappeared so fast is a professional secret, known only to those who participated in the fun.

Mary Lou Joshua "flashed" the news of the meeting about the school and Dorothy Moore kept the Y. W. C. A. posted on their activities.

There is no better way to show their appreciation than to say thanks to you, Miss Wisler and Miss Garver, our advisers.

Hi-Y'd and Handsome

FIRST ROW:—J. Morris, G. Wright, L. Johnson, D. Snively, L. Leppo, G. Youngstedt, W. Bennett, L. Eckman.
 SECOND ROW:—R. Wiltsie, W. Luce, E. Van Volkenburg, C. Wilson, J. Aubrey, L. Anderson, E. Kissack.
 THIRD ROW:—R. Moser, D. Skeggs, R. Fisher, B. Cooper, F. Green, A. Kloes.
 FOURTH ROW:—Mr. Hershberger (adviser), W. Strang, R. Bachtel, J. Leiss, H. Erskine, H. Moran, J. Black, T. McVey, R. Johnston, A. Pastor, Mr. Bear, (adviser); W. Slagle, K. Dressel.

When a group of fellows get together, there's bound to be a lot of fun and excitement. Thirty-four boys joined together to form the Hi-Y Club of 1941-42 and along with social pleasures and rollicking good times, they learned to practice the Hi-Y purpose: To create, maintain, and extend throughout the school and community high standards of Christian character.

The social committee, with Dave Skeggs as chairman, functioned to perfection in making the Hi-Y Fall Dance a great success. Later a spaghetti dinner for the members was planned. Among the important events of the year was the "All-City Hi-Y Formal" given in December to the music of Dick Shelton. And not to be forgotten was the Hi-Y Spring Prom. A picnic for all the fellows came late in the spring.

Laird Eckman and his program committee planned many interesting meetings. The Club heard good speakers talk on such subjects as patents and marine life. In round table discussion the members often reviewed such current problems as "America and the War." In October the Boardman Hi-Y played host to all the Hi-Y Clubs of the City and a little later a joint meeting was held with the Avida Girl Reserves with dancing and refreshments included. The Boardman Hi-Y sent delegates to the State Hi-Y Convention at Springfield in December and later took an important part in the Youngstown Youth Conference.

The officers for the year were as follows: Lloyd Johnson, president; Bob Wiltsie, vice-president; George Wright, secretary; and Bob Fisher, treasurer. Mr. Hershberger and Mr. Bear acted as able advisers.

FIFTH ROW:—R. Henderson, H. Lyons, T. Morris, G. Simon, W. Hamilton, J. Semko, J. Kugler, W. Weaver, J. Holmgren, D. Gustafson, H. Forman, W. Fletcher, F. Hughes.

The largest Torch Club in years, with an enrollment of 65, got under way in September, and kept well apace with the record set by former members in past years. The traditionally high aims of the club were emphasized by the activities and in meetings of the members.

The enthusiasm the fellows displayed in selling refreshments at the home football games proved very profitable as well as great fun. "They Died With Their Boots On" furnished a grand time for their first social event, held at the Newport Theater.

All meetings were planned for everyone's enjoyment. Who could forget those two joint Collega-Torch get-togethers (the dancing occupied first place along with the refreshments), or Dr. Luce's splendid talks, or those movies followed by a cool swim in the "Y" pool.

The sports angle was covered when basketball and baseball teams competed in the Torch league. Practice games were held with the Hi-Y, and the spirit displayed was evidence of the fun involved.

Mr. Robinette and Mr. Smith proved to be the guiding hands behind the organization, and furnished lots of backing in all club activities.

Largely responsible for the success of this year was Tyrus Frolund, the president. His aids were George Fitchet, vice-president; James Rindin, secretary, and Harry Round, treasurer.

STAGECRAFT....Amateurs now, but who knows?

This is Station B. H. S., your reporter for the Boardman Stagecraft Club announcing and reviewing for you the highlights in the theatrical news for 1941-42.

The first task to be dispensed with was the election of officers, from which the slate-reading named Dave Skeggs for prexy with George Wright in second command. Janis Cantwell took over the secretarial job while Marilyn Divelbiss capably managed the finances. To Frances Miller, program chairman; many thanks are due for her careful planning of the meetings.

A Hallowe'en party at Four Square Cabin was the first social event of the year. Quantities plus more quantities of doughnuts and cider were consumed!!

A few weeks later the inevitable try-outs were held which added new members to the club.

From this brilliant personnel of aspiring Thespians the cast was picked for the first play of the year, "More Blessed", a one-act drama. Two top performances were presented, once for the P.-T. A. and again for Junior-Senior Chapel.

March 27th rolled around — the date chosen for the eagerly awaited Stageset Benefit. For weeks the cast worked loyally under the chairmanship of Bob Wiltsie to bring before an appreciative audience so polished a performance. Two amusing comedies, "Molly" and "By Special Request", were portrayed by a clever cast. Two other features included excerpts from Green Pastures by Roberta Holmes, and several solos by Mr. Bohn.

The usual spring frolic brought to a close the activities of the club but there will be many more next year. So until then — so long!

“Comment allez-vous? Tres bien, merci, et vous?”—Thus in a rush of dialogue, the “Frenchmen” of Boardman Hi began a gala year. Dave Skeggs headed the list as president, with Fred Green in the vice-president position. The economic situation was handled by Beverly Walker, with Mary Lou Stewart keeping the minutes.

Every second Wednesday, the meetings were opened with a hearty “Bonjour” and a rush of enthusiasm; Thelma Rankine kept the ball rolling with a variety of surprising games and activities. The greater part consisted in acting out French proverbs in pantomime, singing French songs, and studying the customs of the French people. Folk dancing was the outstanding example of this aim, and the eagerness all displayed was well exhibited in the cripple gait of the members in the immediate days following.

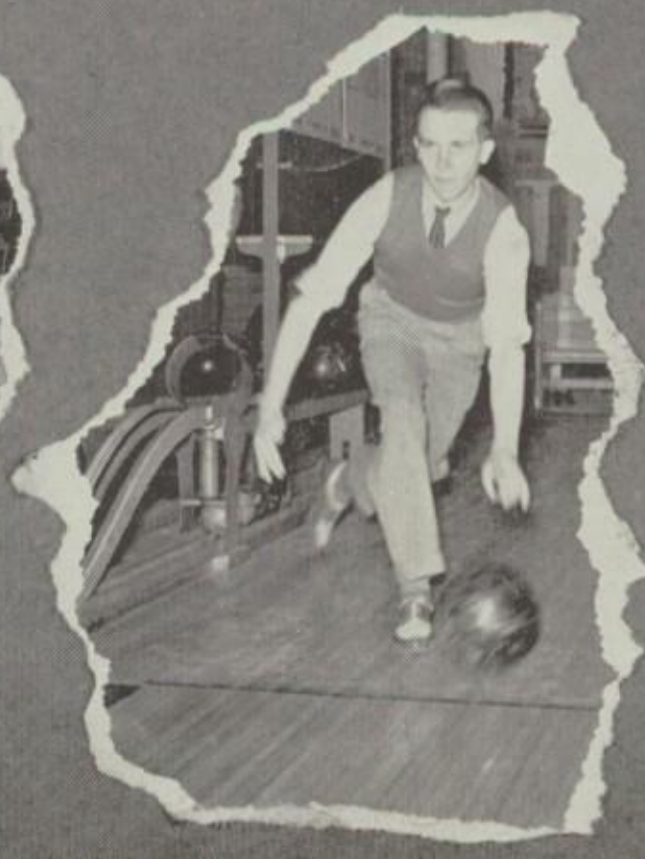

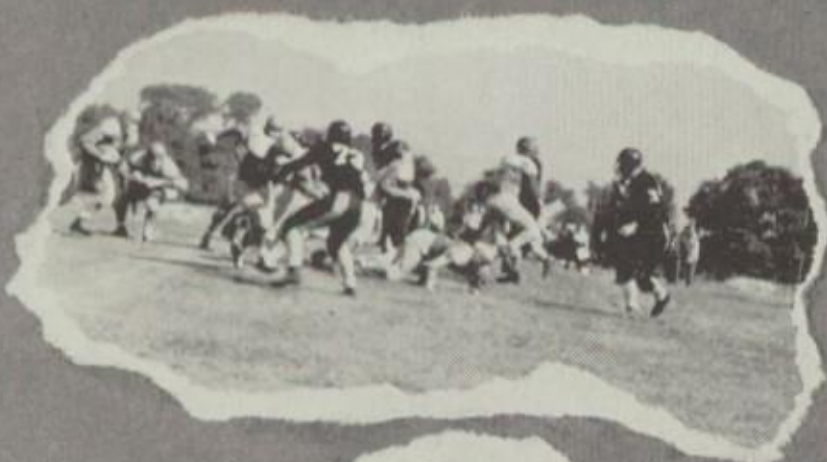

Spring inevitably comes, and with it, French chapel. Difficulties to the 'Nth degree usually confront the club, and this year was no exception. Haggard, but happy, after hours of planning and working, everyone emerged victorious over the odds, and the chapel was pronounced a success by all.

Miss Jones, supplied with a seemingly endless line of ideas, was in a large part responsible for the outcome of events this year. All hail her as a first rate adviser.

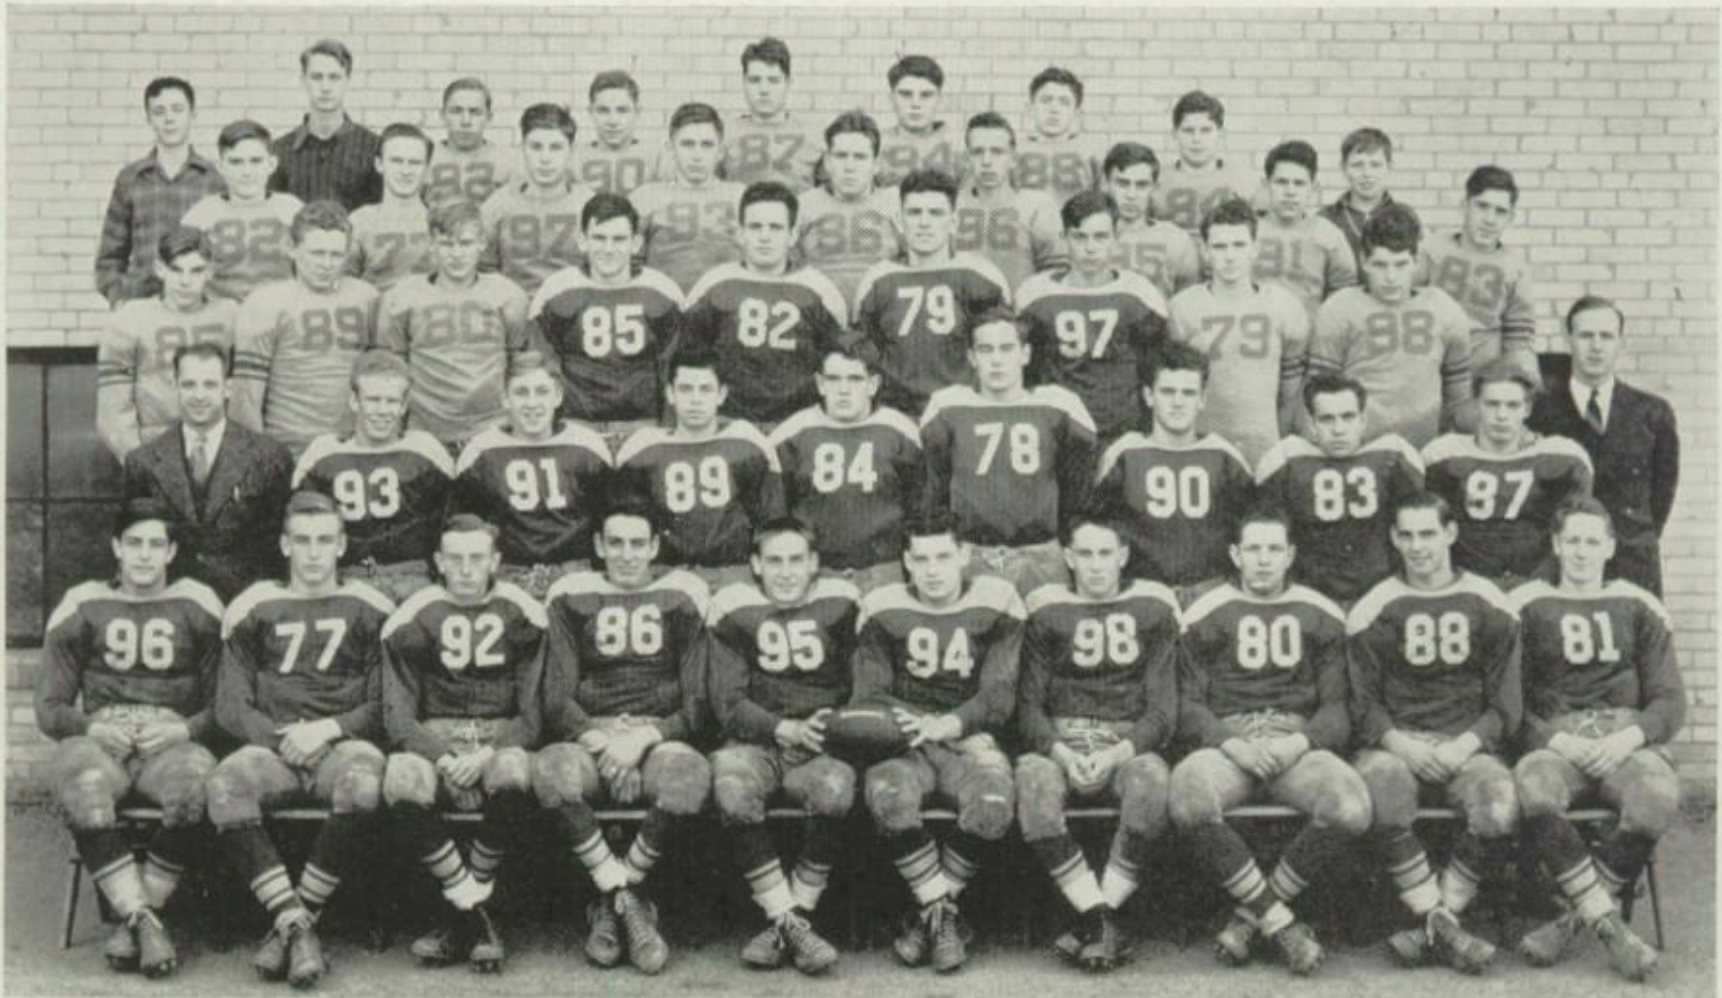

May all future French Clubs have as good a time, if not better, in the years to come. So, until then “Au Revoir.”

FOOTBALL....Fighting hard

On the brawny side

The 1941 Spartan gridgers were considered quite a question mark a few weeks before the season opened. Coach "Rib" Allen was forced to rebuild most of the forward wall, using some boys who had very little experience. Before the season was very old, it was quite obvious our team was making up for this lack of experience with an abundance of good old Spartan fight.

One of the big thrills of the year was the dedication of the new football stadium on November 15. The Spartans gave the large and colorful crowd a real thrill by drubbing Sebring and so keeping the coveted "Little Brown Jug" for another year.

Three of our Spartans were selected for the All-Tri County team, and four on the second team, this being one of the best showings a Boardman team has ever made. John Purucker, George Sullivan, and Al Pastor made the first team while Dave Jenkins, Julius Fidram, Jack Faulkner, and Ray Rich were placed on the second team.

At the end of the season, the gridgers were honored at a banquet, and the Seniors were presented with gold footballs.

Ray Rich was captain elect, replacing co-captains Sullivan and Slagle. We all wish Ray and the boys the best of luck in 1942.

FOOTBALL....On the brawny side

Boardman .27	Newton Falls	0
Boardman .26	Lowellville ..	0
Boardman .26	Lisbon	0

Boardman opened its football season with a decisive victory over Newton Falls. Purucker scored first on an eight yard run climaxing a drive by Sullivan and Rich, but both Frame and Kemper played heads up ball. Purucker again dominated the Lowellville game as he clicked off 75 yard runs, as well as running the second-half kickoff back for a touchdown. Boardman remained undefeated and unscored upon by spanking Lisbon.

Boardman .13	Fitch	26
Boardman . 0	Louisville . . .	3
Boardman .41	Columbiana .	0

In a thrill-packed game at Fitch, the Spartans lost their first game. On Migration Day the Spartans journeyed to Louisville and lost a heartbreaking decision to the Blue Raider. Boardman re-entered the win column by romping over a Columbiana eleven.

Boardman .34	East Palestine	6
Boardman .26	Minerva	6
Boardman .21	Sebring	0

In a game of thrilling runs, Boardman defeated East Palestine. Rich, Sullivan, and Purucker were too fast for the Palestine line, and as a result scored frequently. The Spartans defeated a stubborn Minerva team when Rich made a good account of himself. The 1941 edition of the Boardman High football team closed its season by defeating Sebring 21-0. Co-Captain Sullivan inspired by a capacity "Dedication Day" crowd, brought the crowd to its feet when he dashed 65 yards for a touchdown on the first play of the game.

Rib Relates:

GEORGE SULLIVAN—Co-Captain. Sully placed on the All Tri-County first eleven. In 1940, he qualified as the greatest blocker in Boardman history, and this year, was shifted to the ball-carrying role, where his specialties were reverses and running back punts.

BILL SLAGLE—Co-Captain. Bill played varsity ball for two years. The first, as a back, and this year, as a blocking guard. As Co-Captain, Bill's inspired play served as a fine example for his teammates.

able experience in more ways than one. He was always one of the first out on the practice field, and possessed the spirit any coach admires in a boy.

JACK MORRIS—A half-back on the varsity squad for two years, Jack found the going tough. He was laid up with injuries a great portion of the time, but his pep and spirit were beyond reproach.

JOHN PURUCKER—Johnny was an All Tri-County triple threat man, who scored 71 points against all kinds of opposition. One of the shiftiest broken field runners in Boardman history, he will be greatly missed next year.

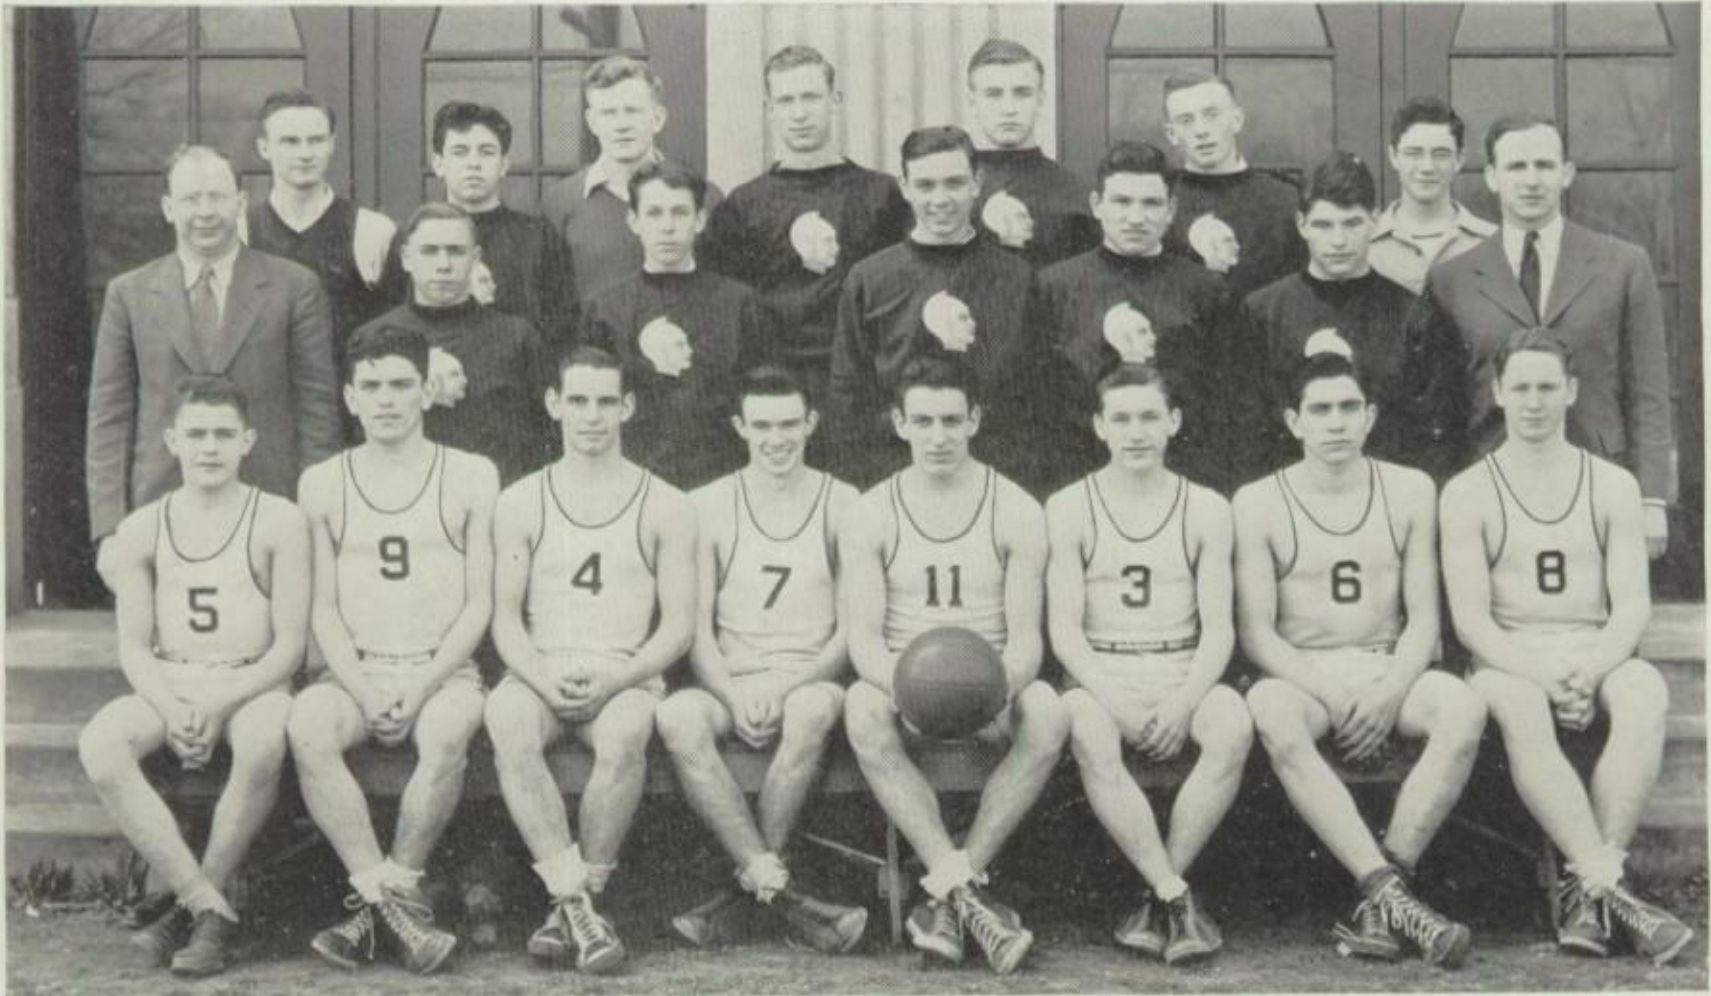

ALBERT PASTOR—Another All Tri-County player. At end, Al was a smashing tackler and a tower of strength on both offense and defense, as well as a hard worker, and well liked member of the squad.

ROBERT BAER—Coming from Rayen this year with no previous experience, Bob improved with every game. He was a speed merchant at the half-back post, and did his best when the going was toughest.

Speedy Spartan cagers

The 1941-42 Spartan basketball team compiled one of the best records a Boardman team has ever had. When the smoke of another season had cleared away, Coach Robinette's team emerged with a record of eleven wins and only five defeats.

Although only one letterman returned from last year, "Robby" kept the boys working and by the opening game, had a team working with precision. Pastor, Wiltsie, and Marshall will be lost by graduation, but there are many fine boys coming up from the Reserves, who lost only one game all year.

Tony Andio, a junior, was given a birth on the second team of the All-Tri-County selections, while Bob Marshall received Honorable Mention. The boys ended the year with a banquet at which time the varsity and reserve letters were presented.

Congratulations are due to "Robby" and his boys for their fine showing this year, and good luck for next season.

The Spartans displayed sparkling form by downing Greenford, Springfield and Fitch in the first contests with Pastor, Wiltsie, and Andio setting the pace. This record, however, was broken by a loss to a big Rayen five, followed by the first Tri-County defeat at the hands of Louisville, in a hard fought battle. The Scarlet and Gray entered the win column with impressive victories over Niles and Lisbon when the team played heads-up ball. A heart breaking upset followed in a two-point loss to Lowellville, but Wiltsie led the squad in a comeback over East Palestine. "Robby's" team upset a highly rated Poland five with Marshall setting the pace, and followed with a loss to the fast-breaking Sebring cagers. Andio spectacularly climaxed the Memorial game for a well earned victory, then Minerva and Columbiana fell by the wayside when Pastor and Marshall led the Spartan's winning combination. Boardman was edged-out by Newton Falls, but climaxed the season with a final win over Hubbard.

Robby Relates:

ALBERT PASTOR—Al was the only letterman returning from the '41 campaign. He comprised a great defensive ability along with tolerant friendliness as to form an essential part of the team.

ROBERT MARSHALL—Bob had little experience as a Junior, but stepped into a varsity post this year. He's best remembered as a consistent point-getter, and a very good rushing forward.

ROBERT WILTSIE—Bob was hampered somewhat by inexperience; however, possessed with an inspiring fighting spirit, and a willingness to work, he proved a real Spartan cager.

HUGH ERSKINE—As manager, and **JACK MORRIS**, as the first Boardman trainer, were constant aides and first-rate assistants in the "behind the lines" action.

TRACK....Goin' my way?

TRACK

TOP LEFT:—Sullivan and Loveland at Rayen. BOTTOM LEFT:—Sullivan at the start. TOP RIGHT:—Walter pole vaulting. BOTTOM RIGHT:—Cooper and Baer at Rayen.

TRACK

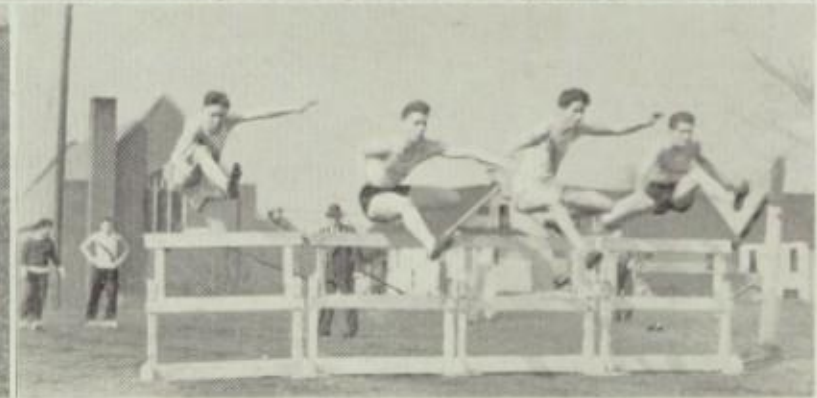

FIRST ROW:—J. Fidram, J. Semko, F. Marshall, G. Fitchet, G. Sullivan, A. Pastor, R. Frame, J. Purueker, J. Glover.

SECOND ROW:—Mr. Allen, coach; D. Loveland, L. Round, R. Baer, J. Faulkner, B. Cooper, R. Johnston, H. Moran, W. Bean, P. Walter.

THIRD:—C. Kline, J. Morris, E. Reineke, D. Pugh, J. Jardine, J. Bott.

Boardman's track team in the last 5 years has lost only two dual meets — both to Rayen. However, we have won the other three years, thus having an edge. All the years that the Spartans and Rayen have met, the last event, the mile relay, has decided the meet.

In 5 years' competition, Boardman has averaged 74 points compared to their opponents' average of 29. Besides the dual record, the Spartans have placed high in the big meets, such as the Mansfield Relays, Salem Night Relays, Pitt Indoor Meet, and have never failed to qualify boys for the State Meet. This year, we are expecting more boys to qualify than ever before. Among these should be: Cooper, hurdles; Glover, mile and 880; Baer, high hurdles; Frame, high jump; and Sonny Walter, a freshman, for the pole vault.

TOP LEFT:—Sullivan and Loveland at Rayen.
BOTTOM LEFT:—Sullivan at the start.

TOP RIGHT:—Walter pole vaulting.
BOTTOM RIGHT:—Cooper and Baer at Rayen.

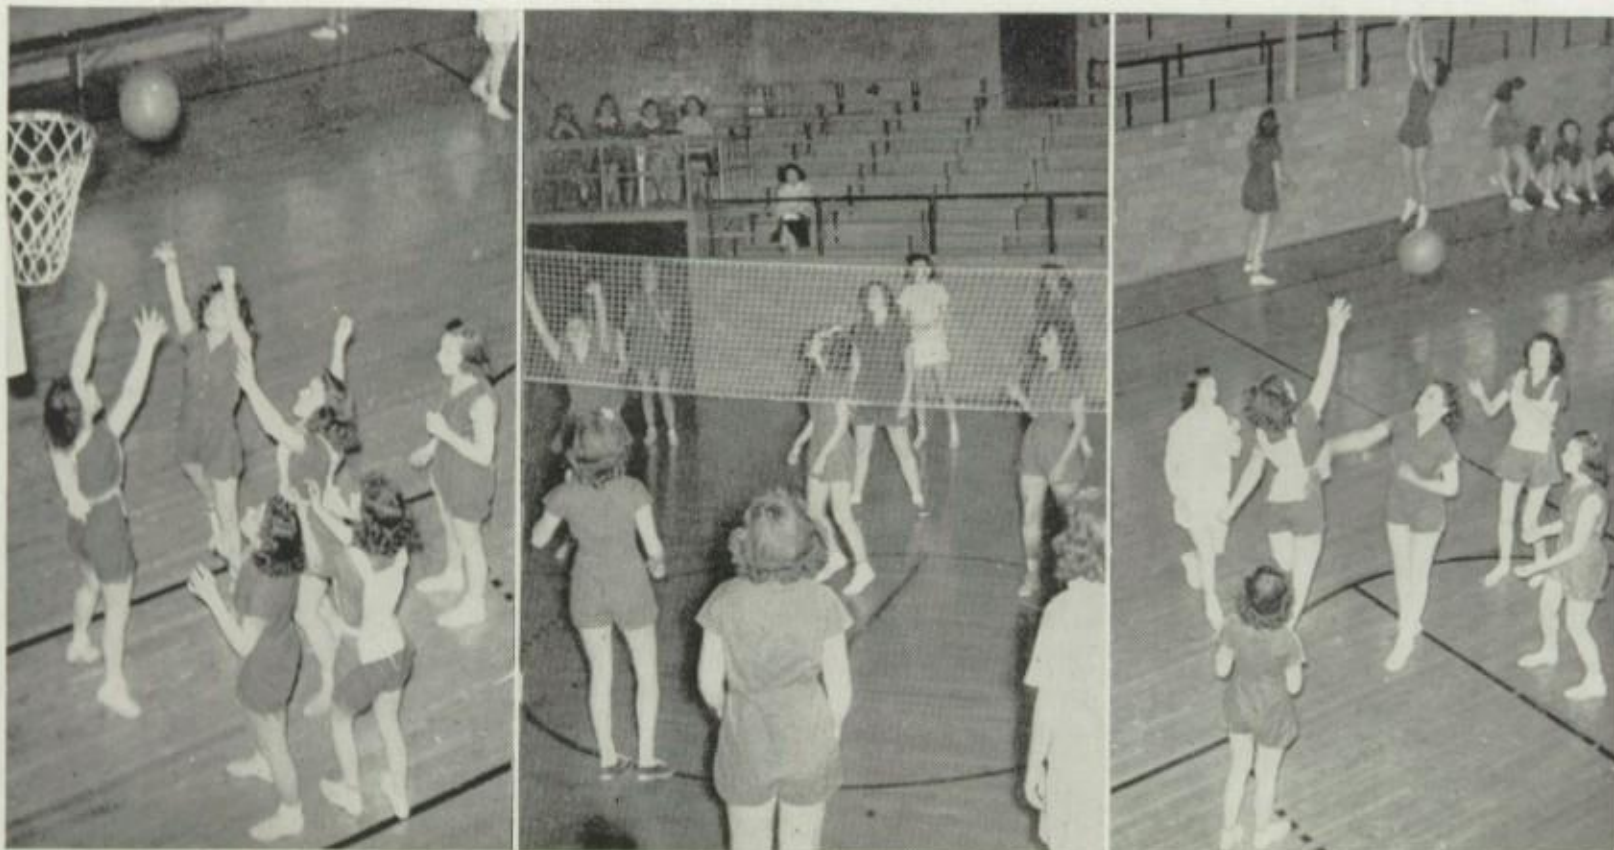

The Spartans started off the '42 campaign with two victories over Springfield and Struthers, and a loss to Rayen; as the Annual goes to press, there are still the following meets to be held, in which the thin-clads are wished the best of luck.

April 25.....Ohio Wesleyan	May 16.....District Meet
April 28.....Salem Night Relays	May 19.....Liverpool
May 13.....Louisville	May 22-23.....State Meet

HONORARY ATHLETIC CLUB

John Purucker has become the second Boardman athlete to pass the twelve requirements for entrance into the exclusive Honorary Athletic Club. This organization was formed by Rib Allen in 1937, and Allen Miller, 1940, is the other member. It is a feat well worth praise, so Congratulations, Johnny!

GIRLS' SPORTS....Miss Wisler's Proteges

GIRLS SPORTS

LEFT :—Basketball, two-pointer.

MIDDLE :—Volleyball.

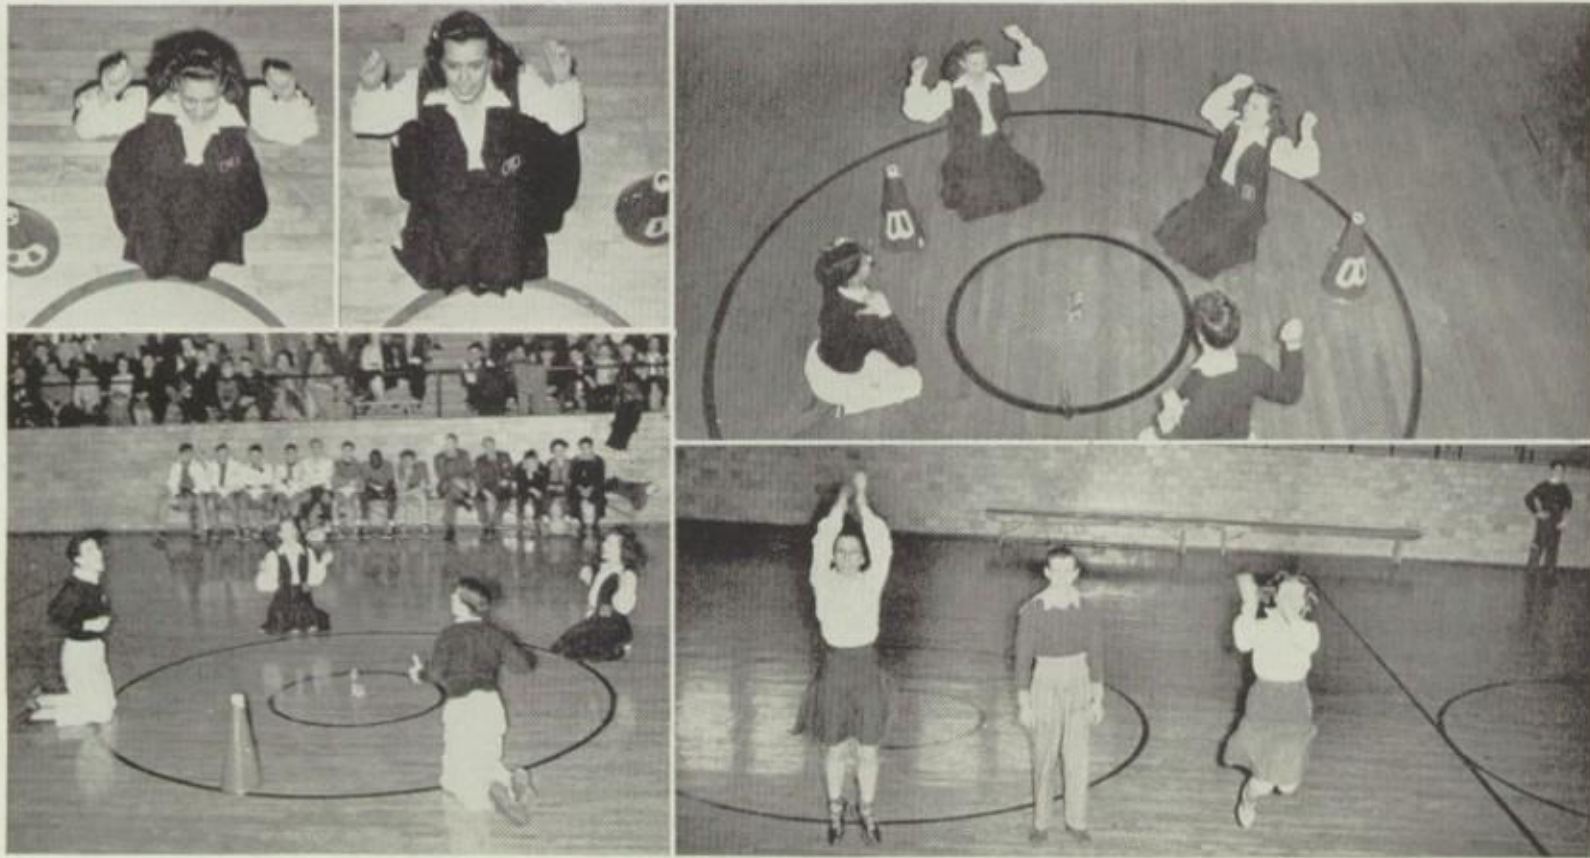

RIGHT :—Basketball, jump.

A new era was started off in Boardman's history this year when girls' athletics entered the picture. At first there were a few misgivings on the part of many involved when the Boardman "Bloomer Girls" began their class sessions, but Miss Wisler, the physical education teacher, through her boundless enthusiasm, soon set the boat on an even keel. Soccer, volleyball, basketball, and baseball were included in this year's curriculum, and class periods came to be enjoyed to such a degree that many concluded it is the best course that Boardman has to offer. The foundations were laid in '41 and '42 by Miss Wisler, but there are many more successful years to come, so, Best of Luck!

G. A. A.—THE ATHLETIC TYPE

The Girls' Athletic Association was organized for the first time this year with Mary Lou Stewart as president; Dorothy Schmutz, vice-president; Charlotte Baker, secretary; and Bonita Swanner, treasurer. The enrollment soon reached 130, and an Executive Committee of four members chosen to aid the officers. The point system, whereby girls win awards, was inaugurated, and a basketball and baseball tournament run off (the spirit displayed at these games rivaled any big basketball game of the year). Miss Wisler was largely responsible for the organization of the club, so any measure of success is due to her efforts.

CHEERLEADERS....Piles of Pep

CHEERLEADERS

TOP LEFT:—H. McCready, B. J. Oestmann.

BOTTOM LEFT:—F. Green, H. McCready, B. Hoffman, B. J. Oestmann.

TOP RIGHT:—B. Hoffman, H. McCready, B. J. Oestmann, F. Green.

BOTTOM RIGHT:—C. Chuck, H. Hedrick, M. L. Joshua.

Snappy, sparkling cheers was the by-word for the cheerleaders of '41 and '42, and highly successful they were too. Betty Jane Oestmann and Helen McCready finished their third year as lively, active cheerleaders, and two fellows, Fred Green and Bruno Hoffman, completed this year's quartet. A captivating action (somewhat resembling the Chattanooga Choochoo) was used as an introduction to every cheer, and proved popular with the crowds. However, originality, coupled with enthusiasm, was the keynote to the cheerleaders' success. Toward the end of the season, three new people were chosen to cheer next year: Mary Lou Joshua, Charlotte Chuck, and Harold Hedrick, so best of success next year!

BOWLING—KEEP 'EM ROLLING

Bowling proved to be a popular Boardman sport this year, so a team was organized by Mr. Williams that competed in the High School League. The boys climbed from 12th to 5th place, and lost only five contests during the season. Their five-game winning streak in mid-season was broken by South, but the fellows finished out the year with victories over Rayen and Wilson, and a loss to Girard. Ray Rich had the highest average of the team with 144. Letters were awarded to Baer, Latta, Kleyn, Rich, Loveland, Kanik, Cooper, Proctor, and Yoder. Mr. Williams' energetic sponsorship was so enthusiastic that many thanks are due him.

Boardman High School.

Dear Brendan,

It's been quite a while since you've heard from your dear (??) little sister—soooo here goes.

First, before I forget, how does the sweater fit? I tried it on Dad first, and since it was a little tight on him, I thought it would fit your boyish figger to a T.

You wouldn't even know ye olde Schoole anymore: We've got a perfectly gorgeous stadium, that holds 1,800 people; and the band was given some slashy new uniforms, (with gold braid 'n everything) by the good people of the township. Say! Speaking of uniforms, you should see me in my gym suit, but I don't feel so bad when I see the rest of the girls. We have lotsa' new teachers this year. Some of them were mistaken for new students — you should have heard the wolves howl!!!

The students here do all they can to help you boys with Red Cross and War Relief Dances. I hear there are cute hostesess at Camp. [REDACTED] (Censored) Have you met any? Are there any dashing Romeos there? Woo! Woo!

A couple of months ago we had a terrific snowstorm. Did we have fun digging the car out! That reminds me, Dad says I can't drive the car any more. You know — rubber, gas, and cars.

You'll never guess what happened, I — made — the Academic Team!!!!

The usual school buzz has risen to a roar; meaning, everyone's excited about scholarship, Senior and French Chapel, the Prom, and last but not least — graduation.

"Parting is such sweet sorrow." It'll feel funny not to haunt the halls again, or hear the slam of lockers, the "Helloes" and "Hi ya's" every morning, but all good things must come to an end. That goes for this letter———.

Goodby, Brendan,
COBINA.

P.S. Hope I can get down to see some of those uniforms; and incidentally, what's in them.

"She certainly is that. She never gets here until ten o'clock."

Congratulations!

Class of 1942

Our hats are off to another group of Young Americans ready to shoulder the duties and obligations that true Democracy imposes. You have received a well-rounded education. You have been prepared to take over the welcome burden of American Citizenship. Your youth and vigor are needed in this war-weary world! You will not shirk your responsibilities nor be afraid to stand by your convictions. Take your motto from Tennyson's dauntless Ulysses: "To strive, to seek, to find—and not to yield."

Mother:—"I see where they have found a sheep in the Himalayas that can run 40 miles an hour."

Father:—"It would take a lamb like that to keep up with Mary nowadays."

The Spirit of 42'

Here we are! Take a look; this is U. S. A., we can deliver the goods — any kind. We have teamwork, we have the hands and the minds with power, skill, spirit. We are proud to be doing a job that must be done. Tomorrow is what counts. It always has with us, like at Valley Forge, Gettysburg and Corregidor — but nothing can stop us. You don't believe it? Well, take another look. Because 1942 is our year.
